Boil Water Notice Issued, Quincy, Plumas County

On 09/20/19 at 1708 hours, the California State Warning Center (CSWC) was notified by the Inland Duty Officer (IDO) that a boil water notice has been issued in Quincy, Plumas County.

- American Valley Community Service Water District has tested positive for E. Coli.
- 1,700 household connections are impacted.
- There are no unmet needs.
- CSWC made notifications made per SOP.
- Updates will be provided by Plumas County as they become available.

SITUATION SUMMARY

Cal OES COASTAL REGION / INLAND REGION

PG&E Potential Public Safety Power Shutoff (PSPS)

On 09/21/19 at 1804 hours, PG&E notified the CSWC of the decision to activate their Emergency Operations Center (EOC) for a potential Public Safety Power Shutoff (PSPS) event due to offshore winds expected in Contra Costa, Butte, El Dorado, Nevada, Placer, Sutter, and Yuba Counties. Peak winds are forecasted to occur beginning the evening of Monday, 09/23/19 and last through Tuesday, 09/24/19.

- PG&E is at PSPS stage “Activating PSPS Protocols / Potential to De-energize”.
- No decision has been made to de-energize; PG&E is monitoring conditions.
- 67,128 total customers could potentially be impacted.
 - 3,856 medical baseline customers have been identified.
 - Critical care customer information will be provided on the next report.
- Potential de-energization affecting customers by county:
 - Contra Costa County – 1
 - Butte County – 22,990 customers
 - El Dorado County – 3,635 customers
 - Nevada County – 12,949 customers
 - Placer County – 22,179 customers
 - Sutter – 229 customers
 - Yuba County – 5,235 customers

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Breezy north winds with dry fuel conditions and continued low humidity will keep fire weather elevated through at least Tuesday.
- Multiple Fire Weather Watches have been issued for Northern California with a possibility of being escalated to Red Flag Warnings.
 - Fire Weather Watches are in effect from Monday afternoon through Tuesday evening for gusty winds and low humidity.

SOUTHERN CALIFORNIA

- Elevated fire weather will continue across the region due to gusty winds, low humidity and dry fuel conditions through Tuesday.

WEATHER KEY POINTS

09/21/19 - 09/27/19

Saturday-Sunday

- Elevated fire weather concerns continue across Southern Region due to gusty winds and low humidity.
- Winds will become breezier Sunday ahead of an approaching cold front, particularly in the Sierras.
- Light rain is possible across northern Coastal and Inland regions late Sunday and early Monday.

Monday-Wednesday

- Breezier north winds are expected to return Monday through Wednesday across much of the state
- Potentially critical fire weather conditions for portions of the Sacramento Valley and Adjacent Foothills and Northern Coastal Range Monday afternoon into Tuesday Evening due to gusty north winds and low humidity
- Gusty offshore winds likely for Tuesday and Wednesday across Southern CA
- Thunderstorms with a slight risk of localized flash flooding will be possible Monday through Wednesday across far southeastern portions of southern region, near the CA/AZ state line. Confidence continues to be low.

Thursday-Friday

- Much cooler temperatures across a good portion of the state with a chance for valley rain and mountain snow. Gusty winds continue across the southern portions of the state.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-5648, 09/20/19, 1917 hours:** The Nevada County Sheriff's Office (NCSO) is requesting two (2) SAR Trailing Dogs for Saturday to assist searching for a missing 30 year old male whose vehicle and tent were found in the mountains 3 days ago by USFS. NCSO made contact with the family who reported they last saw the MP 3 weeks ago. According to the family it is not unusual to go weeks without seeing him as he lives and works in the Bay Area. The Cal OES K9 Coordinator secured two (2) K9 Teams who will meet NCSO personnel at 0700 hrs. Saturday (09/21/19). **MISSION ONGOING**
- **2019-LAW-5644, 09/20/19, 1950 hours:** The IERCC reported a SPOT device activation in Tehama County at coordinates 40.834270, -122.834270, which plot to 3.5 miles S of Tom Head Mountain, near Slides Creek. The R/O's wife reported that he has been hiking since Sunday (09/15/19) and was due back yesterday (09/19/19) but hasn't made contact and she believes he may be lost. She also relayed that the R/O, a 70 year old male in good health, parked his vehicle, a red Subaru Sedan, at the Ides Cove Force Packer Trail Head, near FS Rd. 23N27. LDO briefed Tehama County Sheriff's Office (TCSO) Dispatch who was initiating a SAR response. **UPDATE: 2210 hours:** TCSO advised they were attempting to locate the MP's vehicle however a SAR team will not be able to access the area of the activation at night due to treacherous terrain. They've requested a CHP helicopter but they cannot fly until morning. IERCC updated. **Update: 09/21/19, 0815 hours:** Per TCSO, the CHP airship has located the R/O and are attempting to land and make physical contact with him. His condition is unknown other than he is alert and communicating with the air crew. IERCC notified. **MISSION ONGOING**
- **2019-LAW-5628, 09/19/19, 1537 hours:** The San Joaquin County Sheriff's Office, on behalf of CHP Stockton, is requesting the Sacramento County DART Team to assist in recovering a vehicle submerged for several days in the Delta. LDO contacted the Sacramento County Sheriff's Office who approved the request and is coordinating directly with CHP on the recovery. **MISSION ONGOING**
- **2019-LAW-5414, 09/13/19, 1030 hours:** An undisclosed city in CA requested assistance from Cal-CSIC to assist with a cyber-attack. Cal-CSIC is coordinating a response. **MISSION ONGOING**

Cal OES MISSION TASKING
